Dear Colleagues,

**Re: School Meal Price Increases**

Due to the decrease in the value of sterling and an increase in prices from our food suppliers we are having to unfortunately increase the price of school meals as stated below. This will commence after the October half term, week commencing 6<sup>th</sup> November 2017.

- The High School meal of the day increases from £2.30 to £2.35.

There is no increase to Primary School meals at this current time.

- The price of a Christmas lunch for pupils in high schools will in December 2017 be £3.80.

I would greatly appreciate it if you could please communicate these prices to parents/carers.

Yn gywir / Yours sincerely

Jason Rawbone
