

13th April 2018

Dear Parent

Please find attached a copy of the revision sessions available for Year 11 to attend up until May half term when Year 11 leave and also sessions available during the exam period after May half term.

I hope you will support us in aiming to do our best for your son/daughter, by encouraging them to attend as many revision sessions as possible. As an incentive to Year 11, for every session they attend they will earn £1 off the cost of their prom ticket or their leavers hoody. Students will be provided with a revision card that they will need to have signed by the member of staff running the session, to confirm their attendance.

Year 11 have been a fabulous year group and have already done very well in their year 10 exams and exams taken in Year 11 in English and Maths. The PE practical exam also saw many students achieve their target grade and staff have every confidence in all students achieving their full potential provided that they focus on their studies, work hard both in and outside the classroom and remain positive in the coming months. They have made a huge contribution around the school in terms of representing the school in numerous sports, the large numbers who were OASIS peer supporters and the numbers involved in Peer Mentoring. Importantly, pupils have developed into happy and more confident individuals, and as with every year 11, we will miss them, as they are a very important part of our school.

Year 11 are in the process of organising their leavers hoodies; as soon as these arrive in school we will allow pupils to wear them around school, but not in lessons, as we feel it is important that their leaving is recognised. We are also in the process of arranging with Year 11 a last day of activities so that their last day in school is an enjoyable one that they look back on with good memories.

The Year 11 Prom is due to take place on the 21st of June and the Record of Achievement Ceremony will be in the afternoon, further details of this to follow, but I look forward to seeing as many parents as possible at what is an important event to us in the school calendar.

Finally, may I thank you on behalf of all the staff for your support over the last 5 years; if we continue to support each other in the coming months then we have the best chance of securing a happy and successful period for every year 11 student.

Attendance at school over the remaining weeks of this last term is so crucial, we have unfortunately lost some teaching time due to adverse weather, so every lesson and every day left is vital.

Yours sincerely

Mr S Patten  
Acting Headteacher
